

# CONFERENCE

## First International Conference on Biotechnology and Environmental Safety

and a workshop on  
A New Vision in Biotechnology  
[www.cunrc.org](http://www.cunrc.org)

will be held  
in the National Research Centre,  
Cairo, Egypt  
from April 14<sup>th</sup> to 16<sup>th</sup>, 2009

under the auspices of  
H.E. Prof. Dr. Hany El-Nazer  
President of the National Research Centre

Conference Chairperson  
Prof. Dr. Esmat Abdel Ghaffar  
Vice President for Research

### Major Conference Topics:

1. Biotechnology in Wild Flora and Fauna
  - Markers for management of genetic resources
  - Genetic improvement of wild living stock
2. Biotechnology in Farm Management
  - Genetic markers and improvement of the reproduction
  - Immune modulation and compacting diseases
  - Environmental drawbacks
  - Biotic and abiotic stresses
3. Biotechnology and Genetic Resources Conservation
  - Computational biology and bioinformatics
4. Biotechnology in Agriculture Environments
  - Water resources
  - Evaluation of environmental pollutants
  - Remediation and bioremediation
  - Water recycling for integrated aquatic and agriculture systems
  - Aquatic environmental safety
5. Biotechnology in Fish Marketing

### Contact: General Secretary

DR. FAGR ABD-ELGAWAD  
National Research Centre  
El-Buhouth St. Dokki, Cairo, Egypt  
Genetics and Hydrobiology Group  
E-mail: [ices\\_nrc@yahoo.com](mailto:ices_nrc@yahoo.com)  
Telephone: +202-33353498  
Fax: +202-33353498 / +202-33370931

Conference presentations will be peer-reviewed and published in the Environmental Biotechnology  
<http://www.uwm.edu.pl/wosir/EB>
